A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 53, Number 30 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Thursday, April 15, 1948

Still gaining on last year's rainfall, Campbell's water level stands at 7.94 inches, within 1.84 inches of the total on April 15 a year ago.

12 Candidates File For Incorporation

Ruth Johnson Chosen for Girls State

Honored guests at the American Legion Auxiliary meeting Wednesday night were the winners of the Poppy Poster Contest. They included Bill Anderson who took first place; Jasper Ciraulo, second place and May Gyotaku, third prize. The posters will be displayed in the Campbell merchants windows during May when the annual poppy sale by members of the auxiliary will be held.

Judges on the Poppy Contest were Mrs. Thelma Wathen, Mrs. Harry Blanchard and Mr. F. H. Cutting.

Also as a guest at the meeting was Miss Ruth Johnson, a Campbell High School student, who has been chosen as Girls State representative by the faculty of the high school. The honor is reserved for a girl of outstanding scholastic ability, leadership and moral character. Her mother, Mrs. Johnson, was also present.

During the meeting the membership voted to go on record as favoring the blood bank program, and Mrs. Ethan Lanphear was named as chairman.

On May 26 the members will hold a joint pot luck dinner with the men on the occasion of their birthday party. Mrs. L. C. Fairchild was named as chairman in charge of the supper.

Mrs. John C. Hummel presented a program on Argentina in connection with the Pan-Americanism Day.

A Mother's Day tea, honoring the Gold Star mothers and daughters will be held by the members on May 7, 2:30 p.m. to 4 p.m.

Campbell High Wins Relay Meet

In the fourth annual running of the Campbell relays Tuesday, Campbell men proved their mettle by posting six out of 10 records.

The B-440 relay mark was set at 47.5 run by Slayton, Mannina, Grisham and Geraci. Murakami, Loveday, Williams and Kumayai set a new record in the D-440 with a mark of 50.1.

The B mile relay was run by Silva, Hoover, Ballard and Mannina with a time of 3:55.6.

In the B-880 relays a record of 1:40.2 was set by Slayton, Grisham, Sakamoto and Geraci. In the field events a new record for the broad jump was set at 77 feet eight inches by York, Grisham, Tashiro and Murakami.

For the first time a shot put was included in the event. The team of Holt, Dayton, Suezaki and Beth set a mark of 170 feet six inches.

A new high jump record was set at 20 feet seven inches with Forrest, Williams, Suezaki and Bonds setting the record.

Campbell won the relays with Fremont second and Santa Clara third. Other schools who participated were Gilroy and Washington.

Better Their Own Record

Explorer Scouts of Post I, Los Gatos, broke their own record for putting up a signalling tower at the recent Merit Badge Show held by Santa Clara Boy Scouts.

Last year the boys erected the 16-foot tower in 11 and a half minutes. On Friday night of the 1948 show, they assembled the tower in 9 minutes, 38 seconds and bettered that record on the second night of the Show in the amazing time of 7:58.1. Boys who took part in the event are Al Lloyd, Tom Schoonover, Don Morley, Milt Howe, Marvin Scarper, Bill Lester, Lon Polk, Bob O'Brien and Ralph Marsh. Robert MacArthur and Ralph McGrady are adult leaders of the group.

Moreland PTA To Install

Mrs. Leslie Wilson, newly elected president of PTA's 26th district, will install officers of Moreland School association Wednesday, April 21, in the school clubhouse.

New officers are: Mrs. George Robertson, president; Mrs. Wanda Allinger, vice president; Mrs. Angelo Speno, secretary; Mrs. Anna Magnasco, treasurer; Mrs. Willis Holtum, historian; Mrs. Rex Fuller, parliamentarian; and R. M. Brown, auditor.

Plans for a card party April 30 will be completed and refreshments will be served.

Bank Receives Ovation As Doors Open Here Monday In New Campbell Quarters

Local banking service was restored to Campbell after some 10 years as the American Trust Company branch here opened its doors at 10 a.m. Monday morning.

Local depositors, business firms and individuals welcomed the company to Campbell with an ovation that included bouquets of flowers, personal calls of congratulation and a waiting line before each of the handsome tellers' cages.

Safety deposit boxes were in particular demand as Campbell householders hastened to seek strong-box space for their valuables.

The new banking quarters are modern in design, both outside and in. Tile and glass brick have been combined with huge daylight windows to give the exterior on Campbell avenue an attractive and inviting appearance.

Walnut woodwork, pastel aquamarine walls, mauve carpeting and deep red floors have been used throughout the interior. Comfort and convenience of the staff of nine employees and of the public dictated the design of the entire building, which was completely remodeled prior to the opening, at an estimated cost of $45,000.

Joaquim J. Payne, manager of the Campbell bank, has been with The American Trust Company since 1929. His assistant, Arthur R. Mayo, has also been employed by the firm for a number of years and began his banking career in Campbell at the company's former offices here.

Other employees are: Walter G. Scoville, of Palo Alto; William J. Halls, Berkeley; Thomas E. Boyle, San Jose; Evelyn M. Watkins, Mrs. Ben Carney, Campbell; Nadine Smith, also a Campbell resident, and Alleen F. Cowdry, well known in Campbell.

James K. Lockhead, president of American Trust Company; William M. Hale, executive vice president; William A. Marcus, senior vice president and B. C. Corlett, vice president, attended the opening Monday.

L. W. Harmon Is Purchaser of Conley Realty

L. W. Harmon, who was associated with the Conley Realty Company for the past year and a half, announces his purchase of the firm this week.

The company will be known as Campbell Realty Company and will continue in the same location at 150 E. Campbell avenue.

Mr. Harmon engaged in the real estate business in Texas for 25 years. He and Mrs. Harmon lived in San Francisco for seven years prior to moving to Campbell. Mrs. Harmon was formerly in the insurance department of Western Mortgage Corporation, a correspondent of Metropolitan Insurance Company.

Mr. and Mrs. Alfred M. Conley, from whom the local firm was purchased, are now living near Pleasant Hope, Mo., where they have bought a farm of 125 acres.

The Conleys were active in the Chamber of Commerce of Campbell, and both held offices in the C. of C., from which they resigned upon their retirement.

PTA Officers Begin Term

Taking office Wednesday afternoon in Campbell High School, Association of Parents and Teachers were Mrs. James Gleed, president, and her fellow executives.

Methodists Will Celebrate 60th Anniversary

First Methodist Church of Campbell will observe its 60th anniversary on Sunday, April 18.

Plans for the celebration are nearly complete.

The Congregational Church, which has grown side by side with the Methodist Church through the years, has planned to join in the day's program, for both the 11 a.m. service and the one at 3:30, as well as the buffet dinner at 2 and the tea at 5.

In addition to the pleasure of hearing Dr. Tully C. Knowles, who will deliver the morning sermon, there will be an anthem by the combined adult and high school choirs, and a solo by Rev. L. J. Osborne. Decorations for the sanctuary will be arranged by members of the Women's Service Club, under the direction of Mrs. Thais Ackerman and Mrs. Arthur Tindall.

The luncheon tables in the church will be decorated by Mrs. Yvonne Binley aided by the girls of the high school class. The main decorations of the Community room will be done by Mrs. Ray Fish.

An excellent musical program for the day will begin with an organ recital by Mrs. John Brunswick of Sacramento at 10:40. She will also play for a portion of the 11 o'clock service. Mrs. Edith Van Rossem is the regular organist.

At 3:30, Reginald Greenbrook will be featured at the organ, and Mrs. Page Church of Los Gatos, a former member of the choir, will render soprano solos, and Dr. Joyce W. Farr will sing. At this time former pastors and visitors will be heard in greeting.

The day will conclude with an informal tea in the church parlor with the tea table being arranged and presided over by Mrs. W. N. Lloyd, who is the granddaughter of a charter member, Mrs. Mary Shelly.

Final Rites for Mrs. Nicholls Held Wednesday

Mrs. Bessie Nicholls, 62, a native of Almaden and resident of Campbell for the past 26 years, died Monday after a long illness.

Funeral services were held Wednesday afternoon from First Methodist Church. Interment was in Oak Hill Memorial Park.

Mrs. Nicholls was a long-time member of Campbell First Methodist Church. She is survived by her husband, Orton J. Nicholls; three sons, Mervyn and Thomas Nicholls, oof Campbell, and James Nicholls of Morgan Hill, and a daughter, Veva, Mrs. Dean Chamberlin of Campbell.

Kite Flyers To Compete

A Kite Contest, rained out two weeks ago, will definitely be held at 2:30 p.m. Sunday in Cambrian School grounds (if the weather man co-operates).

Many prizes, offered by Campbell merchants for the largest, smallest, most novel, most artistic and highest-flying sail on a string, will be awarded.

All kites must be homemade and awards will be made in two divisions—to entrants under and over 16 years of age.

These Are Council Candidates

Petitions were filed Wednesday for the following candidates in the May 25 election for the Incorporation of Campbell as a City of the Sixth Class:

FOR CITY CLERK:

Archie E. Brydon, 70 E. Campbell Avenue. Retired accountant.

FOR CITY TREASURER:

David H. Cramer, 49 S. Winchester Road Mathematics Teacher

FOR COUNCILMEN (5 to be elected)

Andrew C. Currie, 28 N. Second Street Realtor

Frank E. Pierson, Campbell

Fred E. Jones, 140 W. Campbell Avenue Gas Station Operator

R. Lewis Brown, 45 Alice Way Retired Minister

LBen Howard, 18 N. Milton Avenue Teacher

John C. McBain, 146 N. First Street Plastering Contractor

Earl C. Buck, 35 S. Third Street Mechanical Engineer

Roy F. Ford, Third Street and Campbell Avenue Plumbing and Heating

James A. Brand, 52 S. Winchester Road Furniture and Appliance Dealer

Oliver C. Jensen, 102 N. Second Street Building Contractor

Carli and Smith Star in Diamond League Win

Kopper Kettle Doughnuts Hard Ball team will play its third game at 2 p.m. Sunday, April 18, at Campbell High School grounds.

Last Sunday the Kettle boys won their second game 12-7, with Bob Carli and Chuck Smith dividing the pitching honors.

Carli allowed two hits and four runs in four innings and Smith allowed no hits and struck out six.

John Scortino hit 4 for 4, getting a home run and cleaning the bases with a two bagger. In the same game, Chuck Smith also hit a circuit drive.

The locals, who are hoping for a good turnout to see their Sunday game, line up as follows:

Pete Denevi, catcher; Bill Harrison, second base; John Scortino, third base; Marshall, shortstop; John Bagoye, first base; Bill Wilson, left field; Dan Felice, center field; Roy Zimmer, right field; and Chuck Smith, pitcher. John Walters coaches the team.

2000 Workers, Busy as Bees!

Hundreds of helpers, all working away 24 hours a day are on view this week end at J and A Food Mart, E. Campbell avenue.

The extra "employees" are a hive of honey bees—in glass—busily manufacturing and storing honey according to the ancient and industrious habit of the small, sharp-pointed critter.

Grammar School pupils of Campbell School and Cambrian School will inspect the exhibit Friday morning. A display of the Allen Honey Co., the hive and its bees will be on view for the public beginning today.

Campbellites Are Hospitalized

Two Campbell women, Mrs. Ray Wood and Mrs. Edward Lee, are ill in O'Connor hospital.

Mrs. Wood underwent an operation recently and Mrs. Lee is being treated for injuries received in an automobile accident Sunday.

County To Vote on Charter June 1

A new resolution calling a special election at the June 1 primary election to submit names of 15 proposed Freeholders to the Santa Clara County elctorate was passed by the Board of Supervisors yesterday.

The Freeholders will be charged with responsibility for drafting a proposed charter form of government for this County to supplant governmental organization under the archaic general laws.

The new resolution was substituted for an earlier one the Board passed last Monday and included the names of election officers for each of the County's 407 election precincts as well as location of the polling places and time of the election.

The earlier resolution was repealed because Assemblyman Robert C. Kirkwood, spokesman for the Citizens Charter Movement, said it was feared its legality might be subject to attack. The earlier resolution did not contain names of election officers, precinct locations.

Freeholders expect to have a charter ready for submission to the voters at the November general election.

Motion to adopt yesterday's resolution was made by Supervisor Walter C. Pfeifle and seconded by Supervisor Arthur W. Brown.

Funeral Friday For Mrs. Hall

Funeral services for Mrs. Caroline Hall, 86, who passed away Tuesday after an illness of three years will be held at 2 p.m. Friday at Rutherford Funeral Home, N. Winchester road.

Mrs. Hall was the mother of Mrs. Sarah Laine Relfe of Campbell; Mrs. Alta Green of Redwood Estates; T. M. Hall of Winters and Frank Hall of San Jose. She leaves six grandchildren and seven great grandchildren. She was preceded in death by her husband, the late Frank McMurtry Hall.

Proposed City Incorporation Draws Prominent Men Into Race For Councilmen Seats

Keen competition for the five-man city council to administer the proposed City of Campbell was assured yesterday with the filing of 10 names for the posts.

Archie C. Brydon, nominee for City Clerk, and David H. Cramer, city treasurer candidate are unopposed for the election.

May 25, the date set by action of Santa Clara County Board of Supervisors for the balloting, registered voters within the proposed boundaries will decide whether they want to govern themselves and will cast votes for their choice of five men to administer the city.

Men whose names were filed as candidates for councilmen are: Fred E. Jones, R. Lewis Brown, LBen Howard, John C. McBain, James A. Brand, Earl C. Buck, Roy F. Ford, Oliver C. Jensen, A. C. Currie and Frank E. Pierson.

Renewed sentiment in favor of a vote on incorporation followed defeat of the measure last year by a narrow margin of 10 votes.

By action of the supervisors early this year, boundaries of the City to be voted upon in May have been determined to exclude ranchers and others outside the immediate district who felt that their widely scattered homes and ranches should remain as rural areas.

Some two million dollars of assessed valuation, divided among many owners, remains inside the proposed boundaries, according to the office of the County Engineer, who prepared the master map under direction of the supervisors.

John J. Lynch, statistician, who was retained to present a factual report on the working structure of a possible city government here, estimates the additional cost to property tax payers at four cents per hundred valuation.

Total tax rates for cities of the Sixth Class are set by law at one dollar per hundred valuation.

Campbell Chamber of Commerce sponsors the election.

Five Candidates Express Views On Incorporation

Campbell, Calif.,
April 12, 1948.

To the Editor,
Campbell Press:

The undersigned, whose names will appear on the ballot as proposed councilmen of the proposed incorporated Town of Campbell wish to make our views clear regarding the matter of incorporation.

We do not wish in any way to indicate that we are opposed to progress or that we are opposed to incorporation.

If the voters do decide to incorporate, certain administrative problems will immediately confront your Board of Trustees.

The first requirement will be a police force. The citizens will expect and demand police protection. The County Sheriff will be on call, but will not be in town unless requested for a special reason. If there is not nearly perfect police protection, our people will complain and there will be charges of incompetency, graft, etc. An adequate police force will cost money.

Another item will perhaps be the reorganization of our fire department. It is now on a very efficient volunteer basis with good equipment. If the status of a volunteer department is maintained and there should occur a real fire loss—there will be charges of inefficiency again. A pay department will cost money.

Street improvement and repair will be necessary. This work will have to be done by contract unless we establish our own payroll and buy the necessary equipment. If the residents of a certain street want it paved, it will perhaps have to be done by assessing the property owners affected. There would be opposition to using general funds for any one street. Owners on unimproved streets would have a complaint. Before a street can be hard-surfaced, it should have curbs and gutters—again an assessment against the owner of the property affected. Gutters cannot be kept free from mud, etc., unless they are paved.

Automobiles and the maintenance thereof will be necessary for police and certain other departments.

Suitable quarters will have to be erected, bought or rented for City offices. We would need a jail. If we use the County Jail, the matter of transportation of prisoners and their keep in jail would have to be met.

There will be necessary expenses such as insurance (compensation, fire, liability, etc.), supplies, printing, advertising (all new ordinances and requests for certain bids must be published).

The employment of several persons will be necessary, some of them full-time. We will have a City Clerk, a City Treasurer, a City Engineer, a City Street Foreman, a City Attorney, a City Police Judge, a City Building Inspector in addition to police and fire personnel.

We can contract with the County to do our building inspection and could work with the County Planning Commission. However, it is felt that the City of Campbell would want to handle these matters itself.

The question of flood control and bridge maintenance on Los Gatos and San Tomas Creeks would have to be met. We do not know what share of this would be taken care of by the County.

Our sources of possible revenue would be taxes on real and personal property, fines, business licenses, dog licenses, bicycle licenses, city sales tax and parking meters; a certain amount of money from the state gasoline tax and liquor funds.

Sales tax and parking meters would be very controversial subjects. Perhaps our citizens would not want them. However, the fact remains that the money to operate the City would have to be obtained from some source as there is a limit on the tax rate on real estate and personal property.

These are our own ideas as citizens. We might, in the light of the Lynch Report and others, maintain the City without too much additional expense. We might not be able to do so. We feel this is like any business venture—it may be successful, and, like any business, lack of funds may make it difficult.

We feel that the area included in the bounds of the City is rather small to produce the revenue necessary at a low tax rate. This is a matter for the taxpayers to weigh carefully and we ask that all the voters be not carried away by sentiment on either side. It is their money that will be used to maintain their City.

Respectfully submitted,
A. C. CURRIE
O. C. JENSEN
F. E. JONES
LBEN HOWARD
JOHN C. McBAIN

Job's Daughters Receive Charter

The International Order of Jobs Daughters of Campbell received its charter Saturday, April 10. The charter was presented by Mrs. Florence Martin, Deputy Grand Guardian to Mrs. Virginia Currie, Guardian, and Frank Coombs, associate Guardian, of Bethel 174, who in turn presented it to Margaret Andrews, honored queen. Janice Paull, grand representative, and Peggy Stone, chaplain of San Jose Bethel 129, assisted in the ceremony. A surprise event for the guardian and associate was the presentation of their appropriate pins from the members of the Bethel. After the close of Bethel, Joline Howard honored the gathering with two piano solos after which every one adjourned to the banquet hall where Beverly Jenson, junior princess, had decorated the tables with her very clever drawings. Refreshments were served by the Campbell O.E.S. Many out of town guests, friends and parents were present to witness the happy event of receiving the charter.

April 24 Bethel 174 and 129 of San Jose will meet jointly in San Jose Masonic Temple to entertain officially Mrs. Alice Swenson, grand guardian.

Country Women List Elections For Monday

Country Woman's club members will convene for their annual meeting on Monday afternoon at 2:30 o'clock. Brief reports and an election of officers will be the order of the afternoon, followed by a social hour and tea. Hostesses listed are members of the board of directors, which include Mrs. I. H. Grim, Mrs. F. A. Jacobson, Mrs. J. M. Dahl, Mrs. C. E. Hancock, Mrs. Dean Chamberlain, Mrs. D. A. Sanders, Mrs. H. F. Cousins, Mrs. Laurance Hill and Mrs. Frank Coombs.

high school age—their interests and needs.

Hostesses for the evening were Mrs. D. W. Ribble, Mrs. William C. Henley, Mrs. G. K. Schrader, Mrs. William O. Fuller and Mrs. E. C. Andres. Guardians attending were Mrs. B. C. Rebhan, Mrs. James T. Kelly, Mrs. David Stracham, Miss Sadie Langford and Mrs. W. R. King.

The R. A. S. Horizon Club, under the leadership of Miss June Benson, met Tuesday night at the home of Margaret Robertson. The project for the School for Cerebral Palsied Children at Redwood City is nearing completion. Plans are being made for all the girls to visit the school. An outing will be held Sunday, April 11. The day will be spent horseback riding and swimming.

CAMP FIRE GIRLS

Local Camp Fire Guardians entertained the Santa Clara County Guardian's Association at the Camp Fire room last Thursday evening. Mrs. Allan M. Rose, president of the group, presided over a very profitable evening. Plans were made for Summer Stay-at-Home Camp, and for the Grand Council Fire to be held May 8 at Hoover Junior High Gym. A report on the annual Doughnut Sale revealed that ten thousand dozen doughnuts had been sold in the county.

Miss Frances Malefyt, executive director, gave a report on the directors conference held in Los Angeles last week. A general discussion was held on the junior

Garden Club Chairmen Are Announced at Tea

The Campbell Garden Club held an impressive installation ceremony honoring its new staff of officers. Mrs. Barth O'Brien and Mrs. Gay Schrader conducted the rituals at which corsages of sweet peas were presented to Mrs. Harold Peck, president; Mrs. Felix Bersano, recording secretary; Mrs. W. Wisler, treasurer, and Mrs. Wesley Youngclaus, corresponding secretary.

Upon taking office for her second term, Mrs. Peck appointed the following chairmen: Mrs. John McBain, membership; Mrs. John Cantoni, historian; Mrs. W. A. Smith, sunshine; Mrs. George Friday and Mrs. G. D. Wilson, garden consultants; Mrs. John Parata and Mrs. Frank Johnson, hospitality; Mrs. R. J. Lewis, publicity; Mrs. Joy Longfellow and Mrs. H. J. Harder, golden gardens; Mrs. Henry Parysek and Mrs. Abe Kollmer, finance; Mrs. L. J. Barber, secret pals; and Mrs. Barth O'Brien and Mrs. Gay Schrader, centennial celebration.

Mrs. Glen H. Covell was admitted as a new member to the club. Mrs. Gene Vennum, a member of the San Jose Garden Forum was the guest of Mrs. Joy Longfellow. Mrs. Henry Parysek presented her mother, Mrs. Morris, to the club. Mrs. Rex Kaver was introduced to the club by Mrs. Barth O'Brien.

A sunshine fund was initiated by Mrs. Peck, which will provide some revenue for the purchase of flowers. Every birthday costs each member a penny for every year of admitted age. Of course, no one is permitted to peek when donations are made. The purchase of four rose bushes was approved, each of which will be given to a civic organization.

The next meeting will be held April 21, when all members will meet at the club house at 11:30 a.m., for a tour of the California Nursery at Niles. Reservations have been made for members and their guests for luncheon at the International Kitchen. Transportation will be provided.

TRAIL TO RICHMOND

Elmer and Edith Anderson with Sharon Parker trailed to Onetah Council in Richmond Saturday night to witness the Centennial Adoption and see 101 candidates take the degree.

Over 500 members represented the different councils from the Peninsula-Monterey area, northern part of the State as well as from the south.

Netops Council Attends Rites

The following members of Netops Council trailed to Minequa Council in San Jose for the adoption of 13 new members Friday evening: Ruth Livingston, Mary Baldaza, Evlen Wilcoxson, Edith Anderson, Veda Folden, Vivian Johnson, Bertha Hindle, Irene Hodges, Elinor Dias, Blanche Gilpatrick, Ester Powell, James Saint, Margaret Benton, Elmer Anderson, Ella Whitaker and Sharon Parker. An enjoyable evening was had by all.

April 23 an early meeting will be held before a whist party which will start at 8:30 p.m. The public is invited.

• • •

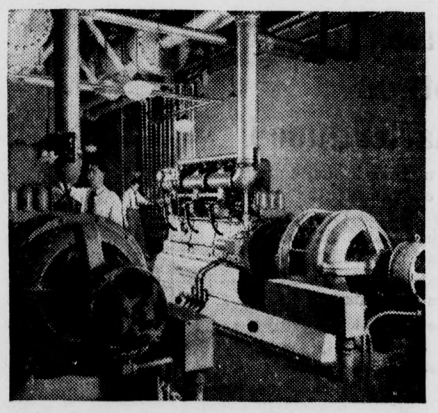
SEQUOIA SEWING CIRCLE

Sequoia sewing circle will meet at the home of Alma Fanning with Mary Gray as co-hostess Thursday evening at 8 p.m., April 15.

How we're

MEETING THE POWER EMERGENCY

with our emergency power



1. Standby generators like this were quickly put on active duty during heavy calling hours. They are driven by gasoline or diesel engines and were meant to be emergency units only to keep your calls going through under all conditions. They're running now to save precious water-produced electricity during the drought.

2. Giant batteries... or many smaller ones ...catch the "juice," store it in their chemical reservoirs and release it as the direct current that sends your voice over our system. The number of calls we're handling today makes even these huge reserves run down quickly. They must be charged continually with our own or public power.

3. In every office, employees are cutting their use of the electricity that lights our buildings, runs elevators and calculating machines and the like. We're saving power and using emergency equipment to cooperate in the emergency...although it costs considerably more for us to produce our own power.

4. Like every good citizen in shortage areas, we're using every means to save electricity. We'll continue to cut in emergency generators to run telephone equipment and minimize the use of power in our offices in as many ways as we can... without reducing the quality of telephone service or creating any hazards to health and safety.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

Why Power Curtailment Was Suspended

Abnormally heavy late season rains, new P. G. and E. power, and more power from other sources combine to end shortage

Heavy rains and snows during the last month raised P. G. and E. reservoirs and increased the snow pack in the mountains enough to permit the suspension of curtailment, at least temporarily.

Here is what brought about the change:

1. **January weather in Springtime**... which replenished reservoirs, increased the snowpack and cut the need for unseasonable farm pumping.
2. **New P. G. & E. power plants**... like the 101,000 horsepower Kern Steam Plant near Bakersfield which is expected to be in operation this month, and others coming on the lines soon.
3. **Additional power from other sources.** We are tapping every feasible source of power. For example, increases in deliveries from Southern California and Shasta Dam.
4. **Daylight time and voluntary savings** by our customers. These also helped, and it is important now that they continue.
5. **Water saved during curtailment.** We were able to hold precious water in our reservoirs because of the power cut.

Another appraisal of water and power supplies will be made by June 1.

Meanwhile, We're Working Night and Day on New Generating Plants

Everything possible is being done to rush P. G. and E.'s long-term power building program initiated in 1945. This huge construction program will add nearly 2,000,000 horsepower to our generating capacity in the next 3½ years. Here are some of our major projects which will come on the lines soon:

Kern Steam Plant, near Bakersfield, will generate 235,000 horsepower. The first 101,000-horsepower Kern unit is expected to go on the line in the next few days.

Electra and West Point Powerhouses on the Mokelumne River, will generate 154,000 horsepower. Electra's 133,000-horsepower will be on the line this summer.

Station "P" Steam Plant, San Francisco, will produce 300,000 additional horsepower. It will go on the line this winter.

Rock Creek and Cresta Powerhouses, on the North Fork of the Feather River, will generate 270,000 horsepower. These plants are scheduled for completion in 1949 and 1950.

Another Steam Electric Unit... An additional 150,000 horsepower steam unit at a location as yet undetermined will be completed in 1950.

THANKS FOR YOUR HELP DURING THE EMERGENCY.
We know you will continue to guard against waste of electricity in every way you can.

Ben Carney Claims Bride At April Rites

An informal wedding ceremony Saturday, April 10, in the chapel of the First Baptist Church of Los Gatos united Miss Virginia Brand of Los Gatos and Ben Carney of Campbell in marriage.

The impressive nuptial service was read by Rev. B. F. Stump. The chapel was decorated with pastel spring flowers and potted palms.

The former Miss Brand chose as her wedding ensemble a suit of rose-beige with pink and white accessories. She wore an orchid corsage.

Her only attendant was Mrs. Robert Carney who wore a gray suit with black accessories and a gardenia corsage.

Serving as best man was the bridegroom's brother, Robert Carney of Campbell.

After the ceremony the newlyweds departed on their honeymoon to Long Beach and Los Angeles. They plan to establish their home in Los Gatos.

Mrs. Carney is the daughter of Mr. and Mrs. Robert Brand of Los Gatos. She is a graduate of Campbell High School and is now employed by the Campbell branch of the American Trust Company.

Mr. Carney is a graduate of San Jose schools and is employed by the San Jose school department. He is the son of William H. Carney of Campbell.

Take Office In Guild

St. Lucy's Evening Guild held its business meeting last Thursday evening at the Parish hall.

The new officers installed were: Mrs. Annamae Perieia, president; Mrs. Mary Spadofore, vice-president; Miss Judith Albo, secretary; Mrs. Peg Wilson, treasurer; Miss Helen Albo, publicity chairman; Mrs. Mary Spadofore, secret pal chief; and Mrs. Evelyn Angelo, sick committee. Mrs. Ann Dardinelli, parliamentary.

Miss Ella Graham spoke on organizing a Y.L.I. group in Campbell.

Reverend Dennis Kennelly was a guest at the meeting. He thanked the Guild for their gift of the baptismal font.

Owners Are Ineligible For Benefits

It has come to the attention of the Social Security Administration that some employers are reporting wages for themselves as well as for their employees, according to John J. Cassidy, manager of the San Jose Office of the Social Security Administration. "Employers in unincorporated businesses who have reported wages for themselves should file for a refund of the tax which they have paid on their own wages. The application for refund should be filed with the Collector of Internal Revenue before the expiration of four years after the payment to the Collector of the tax," he continued.

"At present, old-age and survivors insurance benefits under the Social Security Act are limited to wage earners. Excluded, therefore, are many persons who work for their living. They are the self-employed — owners of small stores, farmers, and others. The Social Security Administration has recommended that the old-age and survivors insurance system be extended to all self-employed persons," Cassidy said.

The Navy today is a three-dimensional fighting force with trained men and specially developed equipment and weapons capable of waging war equally well on, above or below the surface of the sea.

The U. S. Navy is equipping several of its newer land-based patrol planes with a recently developed hydro-flap, a planing surface that can be swung beneath the fuselage in forced landings at sea.

CONGRATULATIONS
to the
AMERICAN TRUST COMPANY
on their New Campbell Branch

Welcome to Campbell

and

CONGRATULATIONS

To the American Trust Co.

In greeting the Campbell Branch of The American Trust Company, we are welcoming them back to town after an absence of ten years.

We heartily congratulate the company and its staff upon their beautiful new offices and upon the complete banking service they bring us.

As their close neighbors and friends, we respectfully urge the people of Campbell and its environs to acquaint themselves with the many diversified services offered, and to use the fine facilities they make available.

THE WHAT NOT

E. W. Smith in Navy Maneuvers

Ernest W. Smith, seaman apprentice, U.S.N., son of Mr. and Mrs. Harry A. Smith of 21 Sunnyside avenue, Campbell, Calif., participated in the recent cold weather reconnaissance operations in the vicinity of Kodiak, Alaska.

Two high speed transports, a submarine, a Naval underwater demolition team, and a Marine reconnaissance unit were engaged in the maneuvers.

The exercises were designed to provide training for Navy and Marine personnel in reconnaissance work during cold, wet weather.

The reconnaissance party was taken in amphibious assault ships to a point offshore and then they continued in rubber boats.

The underwater demolition team swam through ice and slush four to six inches thick to carry out assignments. They were able to remain in the water nearly four degrees below freezing for periods of more than an hour. Sometimes working under cover of darkness, they assembled information on surf, currents, tide, wind, and conditions of the beach.

Upon completion of the exercises, all ships returned to San Diego.

DO WE NEED POLICE PROTECTION?

Editor:

My neighbor, Mr. Fry, tells me someone stole a spare tire, wheel and other accessories from his car while he was at the movies in Campbell. Sometime ago while I was at a Grange meeting someone stole two bolts with cats eye heads off my license plate and laid the plate across the door handles so I should see it not loose it. Very considerate!

About a month before that, also while at a Grange meeting, someone took the inside valve out of the tire valve and left the tire flat (of course). Not very nice at 12 o'clock at night.

ROBERT WURFER, SR.

John Paul Jones' body was brought to this country from France in 1905 aboard the USS Brooklyn.

Twenty-four former Japanese warships, stripped of armament, have been turned over to the U. S. Navy for use as target vessels or for scrapping.

"AS I REMEMBER CAMPBELL"

Campbell's oldest resident to live here continuously, Charlotte W. Sutter has written the following narrative of early days here especially for The Campbell Press.

This first-hand account of one of California's early natives and settlers will be published in a series as space permits. It is part of our Campbell celebration of the gold centennial year.

By CHARLOTTE W. SUTTER

(Continued from last week)

The first fruit drying plant was established in the summer of 1887 by George A. Flemming Co., and under the management of R. D. Shaw. Most of the employees at that time consisted of Chinese. The canning industry was first started by J. C. Ainsley who came to Campbell in 1887, and who first located on a small ranch near Campbell, where he made his first venture in the canning of fruit. His ranch was where the Campbell Grammar School is now. Being successful, a small cannery plant was constructed adjoining the railroad tracks at Campbell and Harrison Avenues, which under his management and foresight had become, at the time of his retirement, one of the largest and best equipped up-to-date canning plants in the state. Also a very valuable asset to the town and growth of Campbell. Much of the fruit was shipped to England where his brother handled the sales.

The first public building to be erected in Campbell was in the latter part of the year 1887, and was known as the Campbell Hall, where all the public gatherings and entertainments of the community were held. Also the regular services of the Methodist and Congregational Churches were conducted in said hall, prior to the construction of their own places of worship. About the same time the first general store was opened and operated by Charles L. Willett.

Campbell Grammar School was first opened on January 21, 1889, with Miss Minnie Gray as teacher, and with H. S. Foote, E. N. Parr and Charles E. West as first board of trustees. The school was held in Mr. Parr's granary until a schoolhouse was completed and ready for occupancy, cost of which was $1650. A school site located on the east side of the Santa Clara-Los Gatos road between Campbell and Rincon avenues was purchased from Mrs. Virginia Parr for the sum of $800. The next schoolhouse, a two-story building, was erected in the year 1896 at a cost of $5082. Following this, the one on Rincon avenue cost about $22,000. The original cost of the present grammar school building on Campbell avenue exclusive of subsequent additions was around $75,000.

The Campbell Union High School first came into the picture on September 14, 1900, and occupied the two upper vacant rooms of the grammar school building for a term of three years, prior to the construction of the high school building on Campbell avenue and under the principalship of Professor J. Fred Smith. Charles Beardsley was the first and only graduate in its first year, 1900-1901. Theodore Roosevelt planted the redwood tree on the old school grounds when he visited the valley in 1903. I make mention of the school history as reflecting the rapid growth and changes that took place between the years 1889-1941.

Ninety-one years ago California was born in San Jose. The first capitol building was a two-story adobe structure near the intersection of Market street and Park avenue.

The Santa Cruz road from Los Gatos over the mountain was a toll road under a state franchise up to 1878 when it was declared a public highway by the board of supervisors. The company resisted the action and attempted to maintain its gates. This caused considerable excitement and the teamsters went in a body and tore the gates down.

File Exemptions During April

Santa Clara County Assessor's office this week urged veterans to file claims for property tax exemptions during special hours arranged during the month of April.

The county office in the Hall of Justice, San Jose, will be open from 9 to 12 a.m. each Saturday during this month. In addition, the office will remain open every evening until 8:30 p.m. during the week of April 26, for veterans only.

More than 1,000 nurses are needed as officers in the regular Navy Nurse Corps. At the present time, the Corps is 1,470 short of the authorized complement of 3,428. In addition, 7,000 nurses are being sought for the Reserve Navy Nurse Corps.

The United States Naval Academy was established October 19, 1845.

Senior Scout Expedition Set

A Senior Scout Expedition to Philmont, the 127,000-acre ranch owned and operated by the National Council, Boy Scouts of America, in New Mexico, has been announced by the Local Camping Committee for the coming summer. The ranch was presented to the National Council by Mr. Phillips to be used by Senior Scouts throughout the nation.

Camp Committee Chairman Robert C. Kirkwood announced the selection of Forrest Owens, a veteran camper and Unit Leader of the Local Council, as Scoutmaster of the group. Registration is limited to 24 boys and three adult leaders. A training camp for the Troop will be conducted in advance of the leaving time to prepare the Scouts for their Philmont Expedition.

The Unit will leave San Jose on June 21, traveling by chartered bus. The route will take them through the San Joaquin Valley and over the Tehachapi Range to camp the first night in the desert near Baker. On the second day they will travel to Las Vegas and Boulder City, making camp on the shore of Lake Mead with a tour through Boulder Dam as a highlight. Kingman, Arizona; Grand Canyon; Meteor Crater and Albuquerque, camping on the banks of the Rio Grande will complete four days of the trip. The fifth day the Troop arrives at Philmont after seeing Santa Fe, the Eagle Nest Lake and Taos Pueblo on the way.

Two full weeks will be spent at Philmont with riding, hiking and burrow-packing trips covering the many trails to points of interest throughout the ranch area. The Senior Scouts will function on the Patrol basis, doing their cooking on the trails and camping in the out of doors at the various base camps located throughout the ranch.

The return trip will be through Southern Colorado, Mesa Verde National Monument, a visit to Arches National Monument and on to Salt Lake City; through Nevada, a camp for a day at Lake Tahoe and home, arriving in San Jose on July 13. All Scouts who are 15 years of age or over are eligible to participate in this expedition.

Senior Scout David Kensit of Ship 70 Los Gatos, Eugene Burgess of Ship 86 Sunnyvale and Eugene Dallanina and Frankling Daum of Troop 61 of Gilroy, are the first to register for the trip. Senior Scouts interested should contact their Scoutmaster or Scout Headquarters for full information.

The United States Navy has slightly more than 4,000,000 finger prints on file, dating back to 1907.

Only one battleship is presently assigned to the Atlantic and one to the Pacific Fleet, but there are seven large carriers in the Atlantic and five in the Pacific Fleets.

The study of coins is called numismatics.

Eisenhower Aids Scouts

General Dwight D. Eisenhower has accepted membership on the National Executive Board of the Boy Scouts of America, it was announced Monday by Amory Houghton, president of the organization.

An advocate of Scouting over the years, General Eisenhower supported a drive for wastepaper conducted by the Boy Scouts throughout the nation during the last year of the war. By collecting 318,000 tons of paper in two months 299,936 Scouts qualified for the General Eisenhower-Boy Scout Wastepaper Campaign medal. A gold replica of it was presented to him in Washington in December, 1945.

In Memory of Repatriated World War II Dead

As you know, those who so heroically fought and died in the past war are, according to family request, being returned to this country for final interment.

Naturally relatives and friends wish to memorialize their loved one; so to accomplish that purpose we offer the same memorial services which have given public satisfaction during our past nine years of operation.

With NO EXTRA COST to the family (beyond the government allowance payable directly to us) we offer the following features: *Removal of remains from the railroad station to our mortuary, funeral notices, phone calls and telegrams, use of our chapel, music and singing, ministerial services, latest model equipment, motor escort, removal to local cemetery or free removal to Golden Gate National Cemetery if desired, trained personnel.*

This is our tribute to our World War II veterans who paid the Supreme Sacrifice.

Sincerely,
DAVID F. RUTHERFORD

Guardsmen To Receive Pay

California National Guardsmen will receive longevity pay for attending weekly training periods under the terms of a bill signed last week by President Truman Major General Curtis D. O'Sullivan, adjutant general of California announced today.

Previously, California National Guardsmen received longevity pay only for the 15 days spent in summer field training. Longevity pay amounts to a five per cent increase over base pay for each full three years of service in the National Guard or other components of the armed forces, including the active and inactive reserves.

Guardsmen receive the equivalent of a full days Army or Air Force pay for each of 48 2-hour weekly training periods and for 15 days summer field training.

It is estimated nationally that of the 208,345 enlisted men now in the Guard, about 40 per cent or 84,000 are veterans of whom a substantial number will be eligible for longevity credit.

All of the 22,698 officers are veterans with the exception of a small number of doctors, chaplains and other specialists.

An estimated 30 per cent of current new enlistments are veterans and their number is expected to be increased by the new pay rules.

State Announces Summer Sessions

Courses in California history and resources will be emphasized during the 1948 Summer Session of San Jose State College, according to Registrar Joe H. West. They will be part of the college's contribution to California's centennial years.

Registration for the coming Summer Session will be held Monday, June 28, and classes will meet on the following day. The Summer Session will end August 6.

Dr. Robert J. Parker of the City College of San Francisco faculty will teach a course on the California Gold Rush and the science department faculty will offer courses in California minerals, plants, animals and birds. In the demonstration school which is a part of the San Jose State College Summer Session, special features will be made of music, art, nature study, speech and materials suitable for use in California centennial observances.

A Summer School of the Theater will be offered to those interested in the drama. Six plays will be produced, including "The Glass Menagerie" by Tennessee Williams and "Claudia" by Rose Franken.

A faculty of 90, including 20 visiting instructors, will offer nearly 200 courses in the fields of art, commerce, education, engineering, English, hygiene, industrial arts, journalism, librarianship, mathematics, music, natural science, physical education, psychology, social science and speech and drama.

The Andeaon condor measures over three feet from tip of bill to end of tail and has a wing expanse of nine or more feet.

County AFL Group Backs Rowell

The re-organized United AFL Political and Educational Committee of Santa Clara County last night reaffirmed the previous AFL endorsement of Jonathan H. Rowell for the Democratic nomination to Congress. The action missed being unanimous by one vote.

A motion to appoint a committee to meet with the San Mateo County AFL Political Committee on April 18 to consider the effect of Rowell's cross filing on the Independent Progressive Party ticket was tabled. Consequently, the San Mateo County Committee will meet alone on April 18 to take up the matter of their previous endorsement of Rowell.

IMPORTANT DATES THIS WEEK IN CALIFORNIA

April 12, 1858—Petaluma incorporated.

April 12, 1861—Fort Sumter fired on, starting Civil War.

April 14—Pan American Day.

April 15, 1839—Russian government ordered Fort Ross abandoned.

April 15, 1850—San Francisco incorporated.

April 15, 1861—Grass Valley incorporated.

In the early part of this century, Acme imported a famous pure culture of brewers' yeast from Europe. This brewers' yeast has taken on distinctive characteristics which account for the zestful, sparkling refreshment of Acme Beer.

Some of the World's best beers are brewed in California. Beers shipped in from outside points are priced much higher only because of high freight and handling charges. So remember—you pay less for California beer only because you live out here.
